HoustonFest2011@yahoo.com WWW.HoustonFestGalax.com

HoustonFest was conceived in memory of Houston Caldwell, who passed from us on April 30, 2010. He was only 18 years old, but his musical legacy, passion for the continued growth of our musical heritage, and his spirit of community service will live on as we continue to fulfill his vision.

HoustonFest is a major event planned for **May 4 & 5, 2012 at Felts Park in Galax, VA**. Regional and nationally known groups will be performing. In addition to great musical performances, regional artisans will exhibit & demonstrate their craft. A special area entitled "Camp Houston" will be dedicated to the talented youth of our region. You are being invited to be a part of this happening. Only a limited number of vendor positions are available.

Proceeds to Benefit the Galax Volunteer Fire Dept. and youth music scholarships & programs.
